**150 Hole Longest Day Challenge**  
Louis Laville & Tom Benbow  
from Roehampton Club played  
150 holes in one day.

Achieved something memorable?  
Get in touch with us to ask how to  
commemorate your feat in crystal!

To celebrate their amazing achievement, they asked us to engrave a pair of our medium rectangular scorecard plaques. Their scores - and steps - were worth a second look too!

**Tee Lights, Holes in One & Drive in Balls**  
Instead of leaving your special balls to rattle around in your drawers, why not pop them on top of one of our Tee Lights - with your Hole in One details, or your Captain's Drive In yardage and club crest.

Show the love you have for your most loyal golf club members! Make them feel it with an appreciative message on an engraved piece of crystal to commemorate the years that the club has been such a healthy and enjoyable part of their life. Possibly showing more thought than an A4 certificate!

# ENGRAVING CHARGES

Each price in this brochure **includes** the engraving of your design once we have originated your logo/artwork/design. If you are unsure in any way of potential charges, please call us for a full explanation and quotation.

If you require each piece to be personalised, for example your logo and then different wording on each piece, the charge will be **80p + VAT** per word, i.e. Club Champion would be **£1.60 + VAT** extra (up to a maximum of **£6.00 + VAT**).

## OPTION 1

Your logo included in the price.

## OPTION 2

Your wording included in the price.

## OPTION 3

One word, only 80p extra for this engraving.

## OPTION 4

Two words, only £1.60 extra for this engraving.

## OPTION 5

Inscription. Only £6.00 extra for this engraving.

## OPTION 6

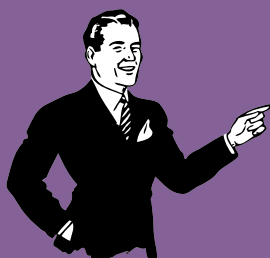

Over ten pieces with the same engraving? Included in the price.

## WHAT DO WE NEED IN TERMS OF ARTWORK?

We have been engraving beautiful crystal since 1984, and hold thousands of golf, military & company crests and logos, so we probably already hold yours. If you are thinking of sending a new one, we would prefer a vector file. This will be a file ending in **.ai**, **.eps**, or a high resolution **.pdf**. Failing that, send us the best you have and we will get back to you!

## HOW MUCH NOTICE DO WE NEED?

How long have do we have? Although small orders can be sent (or collected) in a few days, your ability to plan is always appreciated. We hold large stocks of crystal, enabling us to maintain the great service for which we are so famous. **If you are in a hurry, please make this clear at the time of ordering!**

Each price in this brochure includes the engraving of your design once we have originated your logo/artwork/design. If you are unsure in any way of potential charges, please call us for a full explanation and quotation.
